

Corporate Membership Program

Corporate Membership provides institutional partners expanded access, prominent visibility, and valuable employee benefits. A unique opportunity to give your employees access to our educational and culture programming while supporting our newly rebranded institution!

Many of L'Alliance New York's corporate donors choose to support our mission at a higher level of giving in exchange for greater benefits, recognition alongside signature programs, and more.

For information about tailor-made benefit packages at giving levels of \$15,000 or more, please contact membership@lallianceny.org.
